

Northwest Territories Power Corporation

SALE and REMOVAL by TENDER

**2,085 kW GENSET – consisting of:
ALCO / MLW, Model 251B16 Engine, Serial Number # 16429 and,
Tamper, Model SG1587 Generator, Serial # 360354401
Location : Ft. Simpson, Northwest Territories**

Subject to prior sale or withdrawal in whole, Northwest Territories Power Corporation (NWTPC) will receive offers for the purchase, and removal, of the above asset no later than 4:00 p.m. local time on May 12, 2004. The sale of this asset will be on an "as is, where is" basis with no guarantee on the part of the seller, Northwest Territories Power Corporation. The Corporation is also not bound to accept the highest offer if same is considered to be unreasonable.

Each offer must be accompanied by a certified cheque representing ten percent (10%) of the bid price. Upon acceptance of the offer by NWTPC, the successful bidder is required to pay the remainder of the bid price by certified cheque, plus GST, prior to commencing removal of the asset from the Corporation's premises.

The purchaser is required to comply with NWTPC Specifications Section 01000 – General Requirements during the removal process.

SALE and REMOVAL by TENDER: documents will be available on Monday, April 19, 2004. Please fax or, e-mail requests for documents to:
